The Entrepreneurs' Forum of Greater Philadelphia and *The Inquirer* Announce the 2018 Philadelphia100® Award Winners

The Good Life Companies Ranks No. 44 on the 2018 Philadelphia100® Award List

Reading, PA November 21, 2018 – The Entrepreneurs' Forum of Greater Philadelphia and *The Inquirer* announced The Good Life Companies is No. 44 on its 30th anniversary of the Philadelphia100 Awards®. The award recognizes some of the Philadelphia region's fastest-growing privately held companies.

"We are very honored to be a recipient of such a prestigious award. As a first-time recipient, I am proud of our team's drive and dedication which landed The Good Life Companies as number 44 on the 2018 list. As a company, we pride ourselves in a simple mantra Good Life = Health & Wealth. The Good Life Companies is an ecosystem that incubates our mantra. We have reshaped the definition of the "stereo typical" financial advisor. We are approachable not intimidating, we are a part of our community," said Conor Delaney CEO and Co-Founder of The Good Life Companies.

All companies who received the award were required to have continuous growth over a three-year cycle from 2015 to 2017, and minimum revenue of \$125,000 in 2015. Wipfli Accounting crunched numbers, financial statements and analysis to determine the growth of the final 100. More than 200 companies applied to be included in the 2018 Philadelphia100 Awards®.

Delaney and Courtne Nein President and Co-Founder of The Good Life Companies founded The Good Life Companies in 2012 after seeing a gap in the marketplace for successful advisors wanting a turn-key solution to support their independent financial advisory practice. Together they developed procedures, products and support which became the foundation for the offering at Good Life today. The Good Life Companies are comprised of six entities. There is Good Life Insurance Associates a fixed insurance agency, Good Life Financial Advisors financial planning for families and individuals around the country, Good Life Advisor Systems a service organization catered toward transitioning and supporting independent financial advisors, Good Life Advisors a Registered Investment Advisor, Good Life Fitness Institute which takes an educational approach to fitness, and Good Life Organics adding the nutritional component to overall health and wellness.
