## **OLGA C. ESPIRITU, CFP® JOINS THE GOOD LIFE COMPANIES**

**READING, PA – October 29, 2018** – Good Life announces a new partnership with Olga C. Espiritu, CFP®, a New York, NY-based Financial Advisor previously with Foresters Financial.

“Olga’s professionalism and attitude of doing what’s best for her clients is a true representation of Good Life and our values,” said **Caitlin Degler, Director of Advisor Relations at Good Life**. “We consider ourselves fortunate to have her as a pivotal part of our advisor team.”

Prior to founding Tree of Life, Olga worked at a Wall St.-based investment firm for 11 years. Olga Espiritu is a member of the Financial Planning Association. She graduated from the State University of New York at New Paltz with a B.S. in Finance and earned an Advanced Diploma in Financial Planning at New York University. To reach Olga Espiritu, please call (917) 499-9983 or visit [www.treeoflifewealth.com](http://www.treeoflifewealth.com) to learn more.

“I decided to join LPL for true independence – for myself and my clients. By becoming independent, I feel as though I can apply my wholehearted loyalty towards my clients, and not have to split that loyalty with any particular firm or their products. The tools, platforms and strategies provided by LPL Financial and Good Life allow me to run the practice I always dreamed of; one where I could focus on my clients’ well-being and on all the ways I could serve them better than ever before,” said **Mrs. Espiritu**.

### **About Good Life Companies**

Good Life is driven to change the way in which financial products, services and advice are distributed to everyday clients in communities across the country. To stand out in an industry that has been largely commoditized, Good Life needs to be different to be great. Sometimes being different is not just about being focused on the financial services offered to clients or advisors, but it is about building an ecosystem and community that improves lives. The Good Life culture is centered around a vibrant, upbeat work environment where employees are encouraged to think freely, dress for their day, all while having a strong focus on overall financial health and physical wellness.
